RANGER FX4

THE MOST FEARLESS MEMBER OF THE RANGER FAMILY

With a sleek and powerful design that stands out in any setting, exclusive projector-effect headlights and ebony black accents, the new Ford Ranger FX4 has arrived to give you the courage to explore any terrain and never look back.

Its impressive 3.2L Diesel engine and its 197HP will awake your most intrepid instincts, as you ride with full power even across the most challenging roads. Identify yourself with the most powerful side of nature thanks to our 4x4 technology that will give you the control, from now on, any trip will be full of adrenaline.
